Director's Note: You were awkward in Junior High. Admit it! I remember wanting to belong and be accepted, and at the same time wanting to be different and special - an "unsung hero." Everyone seemed to have their act together but me. What a relief to learn that the Gods of Mount Olympus go through the same thing! This divine new musical reminds me that we're all more alike than we are different. It's okay to be "extraordinarily normal," and "exotically run-of-the-mill." Gods, Mortals, and Demi-Gods - I know you'll enjoy this show!

Special Thanks to many thanks to the actors who participated in developmental readings and the audiences for their insightful feedback.

The show runs approximately sixty-five minutes with no intermission.

Mount Olympus Junior High was partially developed through a Fulbright Fellowship at the University of Patras in Greece.
